# RANGE & DRYER HOSES & CORDS

## DRYER CORDS

Universal dryer cords are the perfect low-cost solution to your customer's needs. All feature closed eyelet terminals, 10AWG wires, 30 amp ratings, and are compatible with 125/250 volts. Available in three and four-prong configurations.

140-1495	Dryer Cord, 4ft, 3 Wire, 30A
140-1500	Dryer Cord, 6ft, 3 Wire, 30A
140-1505	Dryer Cord, 4ft, 4 Wire, 30A
140-1510	Dryer Cord, 6ft, 4 Wire, 30A

## RANGE CORDS

Universal range cords are the perfect low-cost solution to your customer's needs. All feature closed eyelet terminals, up to 6AWG wires, 40 or 50 amp ratings, and are compatible with 125/250 volts. Available in three and four-wire configurations.

140-1515	Range Cord, 4ft, 3 Wire, 40A
140-1520	Range Cord, 4ft, 3 Wire, 50A
140-1525	Range Cord, 4ft, 4 Wire, 50A

## WASHER FILL HOSES

These heavy duty washing machine fill hoses are constructed of a 3/8" high pressure PVC. 3/4" connectors on both ends facilitate fast and easy hook-up to most washing machines. Includes washers.

140-1470	Washing Machine Hoses, 5ft (Individual)
140-1471	Washing Machine Hoses, 5ft (2 Pack)
