Clamping Sawhorse

WX065

Key Features

- Versatile work support sawhorse ideal for wood working projects
- Integrated clamping system securely holds the working material in place
- 1,500 lbs (681Kg) Max holding capacity per pair
- Compact and lightweight design for effortless transport and storage
- External cable hooks & a folding tray for convenient storage of tools

Key Specifications

Max. weight capacity:	1000 lbs
max. clamp force:	300 lbs
Weight:	15.8 lbs
Dimension:	27*5.1*32.7 in

Accessories

2 Quick clamps

Retail: \$69.99

Available Spring 2016

20V Max Lithium-ion SWITCHDRIVER Dual Chuck Drill

WX176L

Key Features

- Quick bit shifting system allows user to jump back and forth instantly between a pilot drilling bit and driving bit.
- Saves time and improves quality of work when setting fasteners.
- 2 bits reside inside the tool so the are always ready and never misplaced.
- LED work light illuminates target area
- Lithium ion battery always ready, holds a charge up to 18 months
- Electronic clutch for precise torque control
- Includes 2) 1.5Ah batteries, 5 hr charger, 2 drilling and 1 driving bit

Key Specifications

Rated voltage:	20V Max/1.5Ah
Rated no-load speed:	0-400/0-1500rpm
Chuck size:	¼"Hex x 2
Max torque:	310 in-lbs
Charging time:	5hr
Weight	3 lbs
Working capacity:	
Wood	1"
Steel	3/8"

Retail: \$119.99

20V Max Lithium-Ion Drill/Driver

WX169L

Key Features

- Variable 2-speed design covers a wide range of drilling, fastening applications
- 15+1 position clutch allows excellent torque management
- 3/8" chuck meets most common drilling demands
- Extremely Compact and lightweight design for fatigue-free working
- LED light with low battery indicator
- Rubber overmould grip for improved comfort and control
- POWERSHARE® 20V battery is interchangeable with other 20V WORX tools

Key Specifications

Battery pack:	20V MAX / 1.5 Ah Li-ion
No-load speed:	0 – 350/0-1300/min
Max torque:	265 in.lbs
Clutch positions:	15+1
Charging time:	3hr
Machine weight:	2.8lbs
Drilling capacity:	
	Wood: 1"(25mm)
	Steel: 3/8"(10mm)

Accessories
